"The man in black fled across the desert, and the gunslinger followed." With those words, millions of readers were introduced to Stephen King's Roland — an implacable gunslinger in search of the enigmatic Dark Tower, powering his way through a dangerous land filled with ancient technology and deadly magic. Now, in a comic book personally overseen by King himself, Roland's past is revealed! Sumptuously drawn by Jae Lee and Richard Isanove, adapted by longtime Stephen King expert Robin Furth (author of *The Dark Tower: A Concordance*), and scripted by New York Times Best Seller Peter David, this series delves deep into Roland's origins. It's the perfect introduction to this incredibly realized world, while longtime fans will thrill to adventures merely hinted at in the novels. Be here for the beginning of a modern classic! Collecting DARK TOWER: THE GUNSLINGER BORN #1-7.
